

Ho Chi Minh City, November 1st, 2016

Dear SBA members, friends of the SBA, Swiss citizens and friends of Switzerland,

This year the SBA is organizing its traditional biannual event, the TELL Games. It will happen Saturday afternoon and evening 3rd December 2016, from 15:30 till 21:30 at Van Thanh Park in Ho Chi Minh City.

The TELL Games offers an occasion where all SBA members, Swiss citizens and all friends of the SBA and Switzerland can meet informally and enjoy together fun games followed by a dinner with Vietnamese and Swiss specialties. In short, have a good time and make many new friends.

This year the event will be organized in the style of a country fair. There will be booths where you can individually try your skills including the historic TELL cross bow shooting. You have also the chance to form spontaneous teams with your friends and colleagues and pull the tug against other teams. (We will make sure that the teams are more or less of the same strength)

For the kids we will have a painting corner and everybody can pose for a professional photo with Wilhelm TELL and his son.

The games / fair will last from 15:30 till 18:00. They will be followed by a sumptuous dinner with Swiss and Vietnamese specialties.

During the dinner Santa Claus will make a surprise appearance, and we will also held a lucky draw with many nice prizes to win.

We very much hope to welcome you to this wonderful event full of joy. The entry fee for adults is only VND 500'000.— and for maximum 2 family members below 18 years the entry is for free.

Members from Eurocham, CECC and GBA are very much welcomed to join this special event.

Please register with the attached form directly with the SBA secretary not later than 30th November 2016.

See you soon, Saturday 3rd December at the TELL Games.

Sincerely,

Alexander Gruber, President, and the Tell Games Task Force Team.
